CONSUMPTION CANNOT BE CURED

Those who say it can are imposters and quacks. Still it may be prevented or its progress stayed, by using Dr. Peters' Cough Lozenges. Begin in season. Do not neglect a slight cough until consumption has commenced its ravages. A delay of a few days often prove fatal. Price 25 cents per box. Peters' Cough Lozenges have performed some of the most remarkable cures on record. One trial of them is more satisfactory than a column of certificates.

THE GREAT OBJECT GAINED!

Peters' Medicated Lozenges are the most valuable discovery of the 19th century. They are entirely pleasant to the taste, and more efficient than any other medicine. These Lozenges are the result of long continued and patient investigation and experiment, conducted in concert by some of the most distinguished physicians in the Union, who believing that some of the best known remedies might be prepared in a palatable form, have directed their labors to that end, till they have produced preparations in the popular form of Lozenges for nearly every disease incident to the human system.

To parents we would say, do not be without these Lozenges at any time—attend to these suggestions as you value the lives of your children.

PETERS' PILLS.

PETERS' PILLS.

It is admitted by all who have used them, (and who has not?) hat Dr. Peters Vegetable Pills are the most unrivalled medicine ever discovered by the ingenuity of man. They are a sovereign cure for the following complaints:—Yellow and billious fever and ague, croup, liver complaint, sick headache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colie, female obstructions, heartburn, furtongue, nausea, distension of the stomach and bowels, incipient diarrhæs, flatulency, habitual costiveness, loss of appepite, blotched or sallow complexion, and all cases of torpor of the bowels, where a catharic or an aperient is needed.

They are exceedingly mild in their operation, producing neither nausea, griping, nor debility.

Dr. J. G. Smith, of Woodstock, Va., says—"They are a better Pill than I can make." He recommends their use. TO THE WHOLE WORLD.

The agent at Strasburg, Va., says he supplies fam-ilies for 30 miles around with Peters' Pills, and they perform such remarkable cures that they are prefered to every other medicine

Mrs. E. Ward, of New York, was troubled with dyspepsia and liver complaint for thirteen years. By using these Pills a short time she was completely

Miss Clark was afflicted with irregularities and obstructions, attended with most distressing symptoms. Se was cured by usuing Dr. Peters' Pills.

Hon. E. D. Davis was afflicted with rheumatism, so as to be unable to dress himself. Three boxes of Peters' Pills entirely cured him.

But why multiply testimonials? We say to all, try Dr. Peters' Vegetable Pills, and we will guarantee that afterwards you will use them in preference to all others.

WORM LOZENGES.

worm Lozenges are the surest and safest worm destroyer ever discovered.

It is estimated that, in the United States, 100,000 children die yearly from the effect of worms alone. This vast mortality can be almost entirely prevented by the use of Peters' celebrated Lozenges. Thousands and tens of thousands pine away and die without suspecting the real disease. The following are die few of the symptoms: headache, pale lips, flushed cheeks, disturbed dreams, feverishness, thirst, bad taste in the mouth, offensive breath, itching of the mostrils, pain in the stomach, nauses, unnatural appetite, swelled stomach or limbs, sense of something rising in the chest, &c.

To Mrs. Catharine Ann Briggs, Cherry street, Philadelphia, has a little daughter who had been in a decline for several years. At times she would eat voraciously, and sometimes eat nothing at all; and she was fast wasting may. Her symptoms were so musual and contradictory that the doctors knew not what to do; but do what they would she continually grew worse, and reluctantly they declared he must die. At the request of a friend, the mother at this stage procured a box of Peters' Worm Lozenges. The first dose satisfied all that worms was the cause of all the child's sufferings, and two boxes effected a perfect cure.

Mr J. W. Carpenter, merchant, Roosevelt street,

of all the child's sufferings, and two boxes effected a perfect cure.

Mr J. W. Carpenter, merchant, Roosevelt streat, New York, says Dr. Peters' worm lozenges possess more merit than the Doctor claims for them. He has used them in his family with success when every other medicine failed.

Wherever they have been used, they are preferred to all other remedies. In fact Dr. Peters and Lis distinguished associates, possessing many receipts of great value, selected from each the most valuable parts, and they confidently say those lozenges cannot be improved.
